A Message From TABLE FOR TWO
Executive Director Masa Kogure

I will be going to Ethiopia in a few weeks, a place I last visited in the spring of 2011 shortly after the triple disaster in Japan. I remember children there, who had their own set of struggles, asking me if everything was ok in my home country.

Ethiopia has had a tough year, with droughts and a change in leadership. I want to tell them that we too haven't forgotten about them.

Where are you spending your holidays this year?
