(Feb 2016)

Japan

1) 'Q&Q SmileSolar' from CITIZEN WATCH Co.,Ltd., eco-friendly and high-performance watch, are now on sale in international flights of All Nippon Airways (ANA). The part of the sales will be donated to TFT.

1

2-3) J.Front foods, a Japanese restaurant chain, has joined TFT. They started serving a TFT special menu in over 35 restaurants around Japan. The president has commented 'I think it's important to motivate the staff to continue offering better service. However, it could be difficult to do so only by an incentive scheme. TFT offers straightforward programs for participation in meaningful social action. Joining TFT is a good opportunity for us to motivate ourselves and to realize the contribution that we make to society through food.'

Number of school meals served to date (as of Nov 30st, 2015):

37,235,958 Meals

"One Million Itadakimasu (Bon Appetit)" Campaign

4-5) We celebrated World Food Day 2015 by holding "One Million Itadakimasu Campaign" which aimed to promote healthy Japanese food and to provide one million meals to children in need. The global campaign was a great success. More than 5000 pictures of TFT supporters enjoying Onigiri (rice ball) from all over the world were posted on the special campaign website.

Hong Kong

6) In November, the TFT team visited Mori Mountain Primary School, where TFT(HK) has started the meal support program since September. The students are ethnic minorities (LiSu Tribe) living in the mountain over 3000 meters above sea level, with a very limited food supply. TFT supports their daily necessities by providing meals, while our partner organizations support their education.

America

7-8) Students and Kiwanis club members across the US participated in the TFT/Harvest Snaps Giving Back Program called: "Fight Obesity and Hunger by Eating Healthy – the Power of Pea"

9) TFT received a heartwarming thank you letter from Dr. Lena Edwards Academic Charter School for our support on their healthy school meals.

10) The students at Achievement First Bushwick Middle School, a new TFT recipient school in New York, enjoyed a nutrition education class!

This month's Guest: Natsuka Hamada

Hello everyone! I'm Natsuka from Japan, I'm working for TFT as a volunteer and my current job is editing the Global News Letter. I'm always impressed by how rapidly TFT is spreading across borders and I'm very excited to be part of it!

My company participates in TFT, so I can enjoy healthy meals served in the corporate cafeteria.
